ANNEMARIE JOHNSON

Welcome, *Buon Giorno!* Cannelloni, gondolas and love inspired this room design. A more spacious feeling was added by installing ceiling mirrors and crown moulding, then jewelled with a Swarovski crystal chandelier. Aluminum leaf applied to the mouldings creates a touch of elegance. A stunning original acrylic-on-canvas painting of gondoliers on the canals of Venice creates a wonderful Italian touch. The closet tile floor was replaced with luxury vinyl tile in "Bird's Eye Maple" and a custom closet in "Cognac" was installed. *Ciao!*
